About Gwalior:

Gwalior is a historical and major city in the Indian state of Madhya Pradesh. Gwalior is well known for its majestic fort, considered one of the best in the world. It is one of the largest cities of Central India and is often referred to as the tourist capital of Madhya Pradesh. Gwalior lies 122 kilometer, south of Agra and 423 kilometer north of Bhopal, the state capital. Gwalior has emerged as an important tourist attraction in central India. Gwalior is one of the leading cities of the country in the field of Education. There are many renowned Govt. Universities & Organizations like Laxmibai National University of Physical Education (LNUPE), Atal Bihari Vajpayee Indian Institute of Information Technology & Management (ABV-IIITM), Rajmata Vijayaraje Scindia Agriculture University, Raja Man Singh Tomar Music & Arts University, Jiwaji University & Many More.....

About Group:

Bhartiya Vidya Mandir Group - A premium group of Institutions in Madhya Pradesh, administering four Colleges, One Higher Secondary School and iON Digital Zone (an online examination centre) running under Bhartiya Vidya Mandir Shiksha Samiti. An eminent educational society had been established in 1969 registered under M.P. Societies registration Act. 1869. The aim of this group is to provide quality Education and to play a catalytic role in the evolution of Management, Information Technology, Pharmaceuticals, Teacher Education and School Education.

About Institute:

The Bhartiya Vidya Mandir College of Management Education is one of the leading Education institute providing Teacher Education course in Gwalior. It was established in 2004. The Institute is promoting National Integration & A sense of "Indianness" among the students while ensuring their total personality development, academic and professional excellence.

The faculty interacts with the Educational world in the form of Research and Expert views. Education Development Programs and Conferences have become an important aspect of designing and imparting learner-centric, value-based Education.

BVM College of Management Education has consistently updated the basket of specializations being offered to keep in sync with changing Education as needs.

We realize that the era of globalization and liberalization needs responsible, responsive and enlightened citizens who are capable of not only to coping with accelerated changes but also bringing change. For this. we are committed to imparting quality education to our students and encouraging exposure to global scenarios.

About The Conference:

At the heart of our mission is the belief that education is the cornerstone of sustainable development. We are dedicated to harnessing the power of education to create a future where economic growth, social equity and environmental sustainability go hand in hand. By providing access to quality education and fostering a global perspective, we aim to empower individuals with the knowledge and skills needed to thrive in an ever-changing world. "Education transcends borders, connecting people from diverse backgrounds and in doing so, it equips them to address the challenges of tomorrow with wisdom and competence. With this mission, we envision a world where education is the key to not only personal success but also global progress, enabling individuals to contribute positively to society and make informed decisions for a brighter future."

These Conferences provide a platform for experts, educators and professionals to share their valuable insights, research and best practices in the field of education. This conference has the potential to significantly impact the future of education, making it more skill-oriented and prudent."

Conference Objectives:

- To provide an opportunity for the exchange of ideas and knowledge on a global level.
