The aim of this group is to provide quality Education and to play a catalytic role in the evolution of Management, Information Technology, Pharmaceuticals, Nursing, Teacher Education & School Education.

About Institute:

The Bhartiya Vidhya Mandir College of Management Education, Gwalior is one of the leading Education institute providing Management, Computer Application and Teacher Education courses in Gwalior, was established in the year 1997.

Institute is promoting National Integration & sense of "Indianness" among the students while ensuring their total personality development, Academic and Professional Excellence.

The faculty interaction with the Educational world in the form of Research and Expert views. Education Development Programs and Conferences has become an important aspect for designing and imparting learner-centric value-based Education. BVM College of Management Education has consistently updated the basket of specializations being offered to keep in synchronization with the changing Education needs.

The Core Values of the BVM College of Management Education include the belief in the individual as the primary vehicle for initiative. The BVM College of Management Education aims at attracting diversity and providing it with an environment where it can flourish. The Institute promotes a culture of openness and change, where merit is the only criteria coexisting with teamwork.

About The Conference:

Effectiveness of any system including Education depends upon both its quantity and quality aspect because Globalization and competition among education provides, quality has become an important issue these days. Quality Education means quality of teachers, quality of Learners, quality of course, quality of planning and management, quality of infrastructure of teaching and Evaluation methods. Assurance systems will find continuing challenges in the decade ahead, not only on their procedural decisions but also on the fundamental education issues they must address.

To ensure quality education, we all have to take action, for that purpose we organized this National conference for exploring new dimensions for Enhancement of Quality Education.
